Welcome Back Riders!

Another snowmobile season is right around the corner, and excitement is building across Montana. Whether you're gearing up for your first ride or planning your club's winter events, the Montana Snowmobile Association is here to keep you connected, informed, and ready for the trails.

This year brings exciting changes—a refreshed website, new leadership, and a continued commitment to serving riders across the state. Congratulations to our incoming President, Connie Walter, and Vice President, Rowdy Yates.

We also extend our deepest gratitude to Fred Bailey, who just completed two outstanding presidential terms. Under Fred's leadership, MSA navigated the challenges of COVID, built a strong and effective leadership team, secured vital grant funding for clubs, and helped put new laws in place to strengthen the future of snowmobiling in Montana.

MSA EXEC TEAM

CONNIE WALTER
President

Connie Walter discovered snowmobiling not too many years ago. With persistence and guidance from experienced mentors, she grew from a beginner into a confident rider. Her passion for the sport extends well beyond the trails, as she has been deeply involved with the Montana Snowmobile Association (MSA) for more than 13 years, serving as Treasurer, Vice President, and now President. She is also an active member of the Great Falls Snowmobile Club, Ponderosa Snow Warriors, and the American Council of Snowmobilers.

Connie has also participated in the Trans-Montana Charity Ride for several years, contributing to planning, fundraising, and community outreach. She is a strong advocate for local clubs and the role they play in building community through family events, avalanche training, safety education, and social connections. As MSA President, Connie is dedicated to strengthening Montana's snowmobiling community, ensuring public access, and keeping the sport thriving for future generations.

ROWDY YATES
Vice-President

Rowdy Yates lives in Gardiner, Montana, with his wife Kristen and their two boys, where they manage a private guest ranch. He first discovered backcountry snowmobiling when he met Kristen—his very first trip was to Cooke City, where he was dropped off Daisy Pass just 15 minutes into the ride. He was instantly hooked! Soon after, they bought sleds of their own and became active members of the Upper Yellowstone Snowmobile Club (UYSC).

What started as a passion quickly grew into leadership. Rowdy began attending FWP appropriation meetings, staying for MSA board discussions, and realized the importance of representing his district at the state level. Since then, he has served as UYSC President, MSA District 10 Director, and now MSA Vice President. He looks forward to helping strengthen Montana's snowmobiling community, supporting local clubs, and ensuring riders of all ages can continue enjoying the sport for years to come.

PEGGY ALBEE
Secretary

Peggy Albee's snowmobile journey began in 1973 on what may have been a Ski-Doo in Canada—an adventure that left her stranded on a frozen lake near Calgary due to a gas shortage. Decades later, in 2006, her husband Ron reignited her interest, and snowmobiling soon became a lifestyle. She purchased her first sled in 2007 and recently upgraded to a 2022 model. While riding is fun, Peggy's true passion is supporting the snowmobiling community.

Since 2016, Peggy has served as MSA Secretary, helping riders stay informed about statewide issues and events. A highlight of her work has been aligning the Trans-Montana Charity Ride with NAMI Montana, blending her role with MSA and her career as a Licensed Clinical Professional Counselor. Through her private practice in Lewistown and state contracts for mental health and addiction services, she proudly supports this cause while helping to foster safe, fun, and educational winter sports for enthusiasts of all skill levels.

KRISTEN YATES
Treasurer

Kristen Yates is honored to serve as Treasurer of the Montana Snowmobile Association (MSA). She lives in Gardiner, Montana, at the North Entrance to Yellowstone National Park, where she and her husband have managed a private guest ranch for 14 years. When she's not busy with ranch work or cooking for guests, Kristen enjoys the outdoors—hunting, fishing, riding horses, camping, and, of course, snowmobiling every chance she gets.

Kristen has been active in snowmobiling since childhood in Cooke City and has been involved with MSA for three years and the Upper Yellowstone Snowmobile Club (UYSC) for over six, where she currently serves as Treasurer. She is passionate about Avalanche Awareness and helps coach the Octane & Grit Backcountry Ladies Ride & Clinic each February. As a sponsored athlete for Extreme Realities Design and Oxbow Gear, and a brand ambassador for Off Road Vixen and Rocky Mountain Sled Conditions, Kristen is committed to helping women gain confidence and independence in backcountry snowmobiling.

PRESIDENT'S MESSAGE

> Together, we ride stronger — thank you for being part of MSA.

Incoming President's Message

Connie Walter

BUILDING ON OUR SUCCESS

The weather may not feel like it yet, but October 1 marked the start of Montana's snowmobile season! Forecasts are calling for another great snow year, and we couldn't be more excited.

Thank you for your trust and support. Our Association is in a strong place, and I am honored to carry on the legacy of Past President Fred Bailey. He accomplished so much in his four years, and we plan to continue building on that success. We're fortunate to have an energetic board, with Rowdy Yates serving as Vice President, Peggy Albee as Secretary, and Kristen Yates as Treasurer.

This past year has been both busy and productive. After a successful legislative session, we helped pass two major bills supporting snowmobiling in Montana. In April, we attended the DC Fly-In, joining representatives from 14 other state associations to discuss membership, newsletters, legislation, and access issues. In June, our delegation attended the International Snowmobile Congress, an inspiring networking event full of new ideas to strengthen our sport across the state.

As clubs across Montana hold elections and welcome new officers, it's an exciting time to bring in fresh ideas and energy. Change is an opportunity to grow, share new perspectives, and strengthen connections within our snowmobiling community. By working together, supporting one another, and keeping communication open and positive, we can make our clubs and the MSA a welcoming, vibrant space where every rider feels included and inspired. Together, we can enjoy the sport we love while building stronger, more connected communities.

There is so much happening in our industry right now, and it will take all of us working together to keep Montana snowmobiling strong. Here's to a safe, fun, and successful season ahead! Connie

OUTGOING PRESIDENT'S MESSAGE

Fred Bailey

The past four years as President of the Montana Snowmobile Association have been an incredible experience. The friendships and relationships I've made through MSA and the snowmobile community are truly invaluable.

Together, we've built a strong team that has accomplished so much for our sport — achievements that simply would not have been possible without the dedication, input, and hard work of so many people. I know this same team will continue carrying our successes forward and creating even more in the years to come.

I am especially grateful to Connie Walter and Rowdy Yates for stepping up to take on leadership roles within MSA. I'm also very pleased that Peggy and Kristen have agreed to continue serving, further strengthening our leadership team for the future.

It has been an honor to serve as your President, and I thank each of you for your support and commitment to snowmobiling in Montana and across the US.

Snow's coming get out there and enjoy! Fred

DON'T MISS OUT!

Rev Up Your Winter!

Montana Snowmobile & Powersports Show - Presented by SnoWest Magazine

Join us for a weekend full of fun! The inaugural Montana Snowmobile & Powersports Show showcases the latest in aftermarket parts and accessories, all the new 2026 snowmobiles from Ski-Doo, Polaris, Arctic Cat and Lynx, trailers, transportation, riding destinations and all the best deals you'll find this season!

Where: Northwest Fairgrounds, Kalispell, MT
When: October 31 & November 1, 2025
Event Link: Visit www.snowmobilemt.org

For a list of participating vendors, head to Facebook or our website.

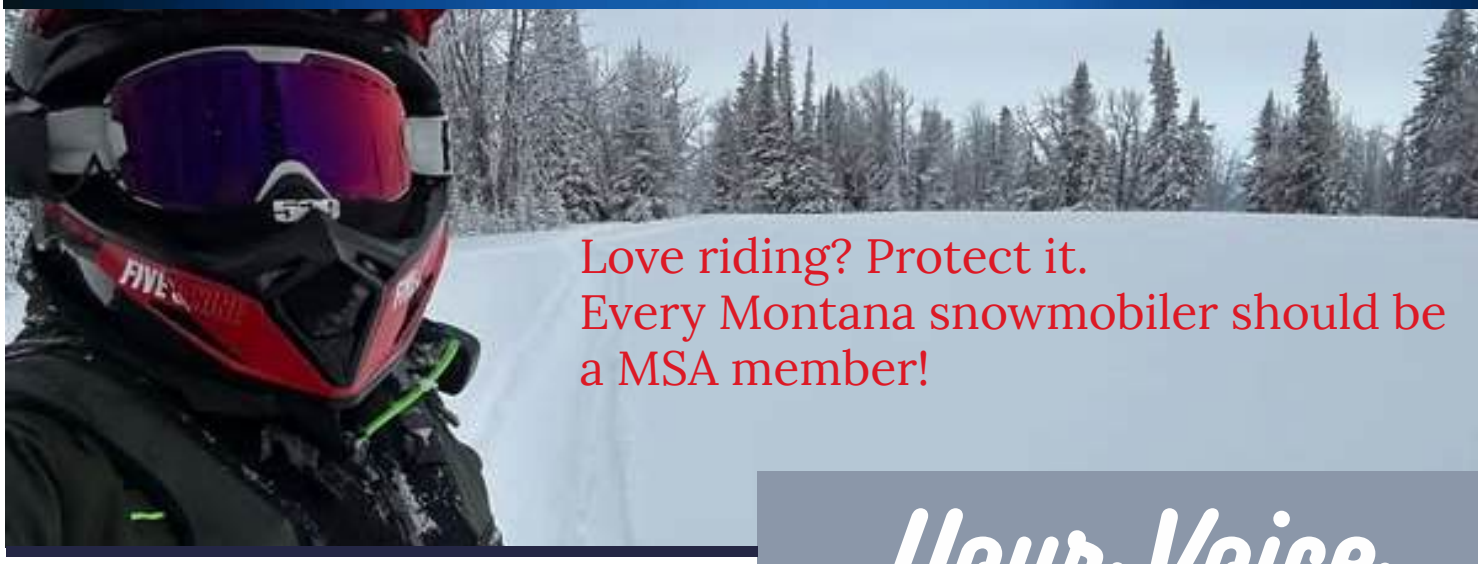
MSA Watch Items & Travel Plans

MSA remains actively engaged in travel plans and land use decisions that impact snowmobiling across the state. Listed below are key areas where MSA has provided feedback or continues to monitor developments:

- **Economic Impact Study (Winter)**
- **Island Park & West Yellowstone Madison-Gallatin Monument Plan**
- **Clearwater Blackfoot**
- **Lincoln Prosperity Project**
- **Cooke City – The Plug**
- **Kootenai Forest**
- **Montana Headwaters Legacy Act**
- **Lolo Travel Plan**
- **30 by 30 Initiative**
- **Avalanche Center Budget Reduction**

We encourage all members to stay informed and engaged in these discussions. Your voices play a vital role in shaping the future of snowmobiling in Montana.

WHY SHOULD YOU BE A PART OF MSA?



Love riding? Protect it.
Every Montana snowmobiler should be a MSA member!

The MSA Story

Montana snowmobilers know the thrill of riding through snowy backcountry, exploring wide-open trails, and sharing unforgettable adventures with friends and family. But behind every great ride is a strong community that protects access, promotes safety, and ensures the sport we love continues for generations. That's where the Montana Snowmobile Association (MSA) comes in.

Since 1974, MSA has been the unified voice for snowmobilers across Montana. We proudly support 26 local clubs, helping them secure funding, organize events, and maintain safe riding areas. From advocating for trail access to providing avalanche safety training, we work hard to make sure every ride is enjoyable and responsible.

MSA also employs a professional lobbyist to represent and protect snowmobilers' interests during the legislative season—ensuring our voices are heard when it comes to laws, funding, and access that impact our sport.

Being a member of MSA isn't just about supporting trails—it's about being part of a network of riders who care about the future of snowmobiling. Membership helps:

- Keep Montana's trails open and accessible
- Support local clubs and community events
- Provide safety education, training, and resources
- Strengthen advocacy on the state and national level

Joining MSA means you're contributing to a stronger, safer, and more connected snowmobiling community. Every member amplifies our voice and helps ensure that the thrill of riding in Montana continues for generations to come.

Don't wait—join today and ride with a purpose!

Your Voice

Why I'm a Member of MSA...I'm a proud member of the Montana Snowmobile Association because I want our voice to be heard. I believe in strength in numbers, and I know that MSA is there to support Montana, our trails, and the communities that rely on them. Membership isn't just about riding—it's about protecting access so that our trails and riding areas stay open for everyone, including our kids and the next generation of snowmobilers. I didn't know a lot about MSA in the beginning, but now I have a deep appreciation for the work they do.

I'll be honest—I'm not a hardcore mountain rider like my husband. I stick to the trails, and I'm definitely not hauling my sled out of tough spots. I hate getting stuck! But I love sightseeing, enjoying the backcountry, and taking in the beauty of this incredible state and able to hang with him--on the trails. Being part of MSA lets me combine my love for Montana with action that protects our sport, our trails, and our right to ride. For me, membership isn't just a choice—it's a responsibility. And most importantly, I'm doing it for my kids too—so they can enjoy these trails and backcountry areas without struggle.

~ 13-YR MSA Member

Montana SNOWMOBILE Association

Standing up for Montana's riders, clubs, and communities—protecting access, securing funding, and making your voice count.

Tell us why you are a member... email news@snowmobilemt.org.

CLUB UPDATES

American Council of Snowmobile Associations
Club Membership Enrollment

Again this year, the MSA Board voted to provide every Montana club with enrollment in the American Council of Snowmobile Associations (ACSA). ACSA is your voice for snowmobiling on national issues—and those issues affect every rider, every club, and every trail we enjoy here in Montana.

It's easy to think that what happens in Washington, D.C., or in another state doesn't impact us. But the truth is, snowmobiling access is shaped by national decisions. Across the country, thousands of miles of trails cross both public and private lands, and the future of those lands for snowmobiling is no longer guaranteed. Without a strong, unified voice, the doors to riding areas can quietly close.

That's where ACSA comes in. In the hierarchy of associations, ACSA strengthens and supports state organizations like MSA, giving us a united, powerful voice. When your club is counted on ACSA's membership rolls, it directly increases their influence at the national level. And in return, your club gains access to weekly updates and critical information about policies, initiatives, and issues that affect the future of snowmobiling for all of us.

By ensuring every Montana club is enrolled, MSA is making sure your voice—and the voice of your club—is part of the national conversation. ACSA exists because a strong national organization is not just helpful, it's essential to protecting the sport we love.

MSA'S Link to Your Club

Your District Representative plays a vital role in keeping communication open between MSA and our local clubs. They're your go-to resource for sharing information, answering questions, and making sure your club's voice is heard at the state level.

Have questions, concerns, or just want to learn more? Reach out to your District Rep (see page 2 for contacts). They are the conduit that keeps information flowing both ways—ensuring clubs stay informed and MSA understands what matters most to you.

Our District Reps are truly the unsung heroes of MSA. They attend meetings, bring updates back to your club, and go the extra mile to keep everyone connected. With so much information to share—and limited space—it isn't always easy. Thank you for your time, energy, and dedication to strengthening Montana's snowmobiling community.

👉 Interested in stepping up? We have a few open District Rep positions! See page 2.

Be heard. Stay engaged. Talk to your Reps!

Mark Your Calendar!

Record Your Volunteer Hours

Available now on snowmobilemt.org
Clubs: please take time to record your volunteer hours. This includes every person and every activity—meetings, trail work, event support, and more. The reporting form is quick and simple, and the information is vital.

These hours are reported annually to ACSA, Montana Fish, Wildlife & Parks, grant programs, and other partners. They may also be called upon at any time to support new funding or access requests.

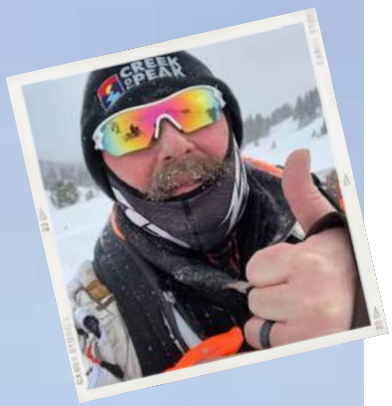
Your time and support are incredibly valuable. Don't underestimate the importance of tracking every hour—it strengthens our case, secures resources, and ensures the future of snowmobiling in Montana.

Grant Programs

Montana Fish, Wildlife & Parks proudly administers 11 grant programs that support recreational opportunities—both motorized and non-motorized—along with habitat improvement, conservation efforts, education, and more. Of these programs, five focus on trail construction and maintenance, and three are critical to winter recreation (RTP, TSP, and the State Snowmobile Grant Program). Each program is linked below. For the main FWP Grant site, visit snowmobilemt.org.

In addition, MSA now offers grant opportunities for clubs. Check with your District Rep or an MSA Officer for details on this new funding resource.

> To be involved.
> Get involved.



VICE-PRESIDENT'S MESSAGE

Rowdy Yates

Hello MSA community! Hopefully by the time you are reading this that we have snow on the ground or at least in the immediate forecast! Dreaming of the Deep!

I will start my first official "VP" letter with this. I believe in " To be involved you have to get involved " What that means is that we can't just let someone else handle the important issues because someday..there will not be a someone to do that. We need people to help find solutions. We need people to get involved. We of course elect our board to help with just these things. However, now, more than ever, our industry, organizations and clubs need people to step up. We need your help by attending meetings, sending us news, telling us about club events, meeting schedules and most importantly...invite a youngster and their family to join the fun.

President Connie and I vow to keep Fred's momentum rolling. He has accomplished great things for our state snowmobiling and backcountry enthusiasts. We will absolutely be calling on him for his knowledge. We won't let him just sneak out.

I thank everyone that voted and for their trust in me. I don't take this lightly and absolutely will give this position my all. I will always have my communication open for any questions, ideas, concerns or just to chat. Now...let er snow!

VP Rowdy Yates

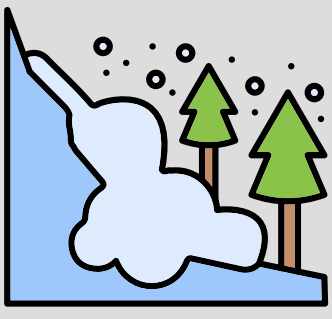
Do We Have Your Club's Contact Information?

We want to make sure your club stays connected and up to date! Please confirm that we have the following details:

- Club name, phone, emails, and mailing address
- Current officers and board members

Updating is quick and easy—just use the online form at snowmobilemt.org under the "Resources" section.

Update Your Clubs Info: Visit snowmobilemt.org



It's Never Too Early To Talk About Avalanche Season!

With spectacular mountain terrains comes the added safety concern of avalanches. You can minimize your risk by taking an avalanche awareness course and carrying the proper equipment.

Essential "Big Three" must haves—an avalanche transceiver (beacon), a probe, and a shovel.

Get the Gear & Training - Before You Ride

Aavalanche.org

CHARITY

Trans-Montana Charity Ride Gives Back

This past season, Trans-Montana presented NAMI Montana with a check for $38,700, all collected through the annual charity ride and auction. These funds directly support Montanans, with every dollar staying in-state to strengthen mental health resources.

What is Trans-Montana?
Organized under the Montana Snowmobile Association (MSA), Trans-Montana is a weeklong snowmobile adventure where riders explore new areas of the state each day. Participants pay to ride, gather sponsorships, and raise donations to benefit NAMI Montana.

Stay tuned for next month's issue where we'll share the full story, rider experiences, and the impact this incredible event continues to make.

NAMI Montana
National Alliance on Mental Illness

NAMI Montana is dedicated to supporting individuals and families affected by mental illness through education, advocacy, and community programs.

Did you know? Funds raised stay right here in Montana to strengthen local mental health resources.

A portion of each plate goes directly to MSA's legal defense fund.

MONTANA SNOWMOBILE PROGRAM UPDATE

It is hard to believe that another grooming season is upon us. I know many of you are out working with your local clubs to clear trail and get the grooming equipment ready for the new season. I appreciate your dedication and willingness to promote snowmobiling in Montana.

The Anaconda Snowmobile Club will be receiving a new groomer this season. Equipment costs keep going up. I want to thank all of you out there that help to maintain the grooming equipment. If you are not a member of a club, join one and share your talents. There are many different tasks that the clubs need help with throughout the year.

Don't forget to purchase your new trail pass. The Resident Trail Pass has boosted our equipment replacement program. The pass has been instrumental in offsetting rising costs of trail grooming and I want to thank those of you who are getting the word out concerning the benefits of the Trail Pass.

Seventeen of the twenty dollars goes back to the grooming grants and equipment purchasing program.

Please be safe this hunting season and cherish your time with friends and family. You can contact me with any questions or comments at smcarthur@mt.gov or 406-444-3753.

Seth McArthur

Montana Snowmobile Program Manager
Montana FWP | 406-444-3753

Quick Facts

In 2025, there were 92,387 snowmobiles sold worldwide, 41,588 were sold in the U.S. and 32,828 were sold in Canada.

Over 100,000 full time-time jobs are generated by the snowmobile industry in North America.

Those jobs are involved in manufacturing, dealerships and tourism related businesses.

Snowmobiling Quick Facts

Every Montana rider should have a voice. Be part of MSA & join today.

Snowmobiler Profile

- Surveys show that, on average, snowmobilers taking overnight trips (24% of these surveyed) take 3 - 5 trips a year, spending 2 nights per trip away from home.
- The average age of a snowmobiler is 46 years old.
- The average snowmobiler spends $2,000 each year on snowmobile-related recreation.
- 50% of snowmobilers trailer their snowmobiles to ride. 50% snowmobile from their primary residence or have a vacation home where they keep and use their snowmobiles.
- Snowmobilers are caring neighbors, they raised over $3 million for charity annually.
- There are 3,000+ snowmobile clubs worldwide, involved in trail grooming, charity fundraising, and family activities.
- There are over 42 registered non-profit associations representing snowmobilers in the USA, Canada and Europe.
- Snowmobiling is great exercise bringing people outdoors interacting with nature and each other. It is an invigorating sport, great for stress release and good mental health.

Keep the throttle open—MSA is with you every mile.
